

West Kessler

uses money from their 2011 Old Oak Cliff Conservation League's grant to enhance & beautify the island on the cul-de-sac of Stevens Woods Court, a common gathering place for neighborhood events. The project included adding electricity and leveling the existing stones to eliminate the unstable footing as well as cleaning the existing planting beds.

Per WKNA President, Lynn LaCaze, said neighbors gathered together before the League's Home Tour to help with the beautification of the island gardens.
